

## Materials Processing and Crystal Growth Facility

### RATE SCHEDULE FOR TECHNICIAN & INSTRUMENT TIME (9-1-07)

#### SERVICES

	RATES	
	Internal	External
Facility Orientation/Cleanroom Safety Training Fee	\$100	\$200
Technician Assisted Use of Equipment Fee	\$45/hour	\$100/hour
Equipment Training Class	\$100	\$200
Consulting		\$100
Other Training	\$75	

#### INSTRUMENT TIME

Category A Equipment (all MPCGF processing systems excluding annealing tube furnaces and evaporation systems)	\$20/hour	
Class 100 Cleanroom/Photolithography Use (mask aligner, wire bonder, spinner, Normarski microscope and ovens)	\$20/hour	
Electron Beam Evaporation System 1, Edwards Auto 306 (material costs are additional)	\$30/hour	
Electron Beam Evaporation System 2, Edwards Auto 500 (material costs are additional)	\$40/hour	
Category B Equipment (MOCVD/MBE. PI's provide additional support and maintenance)	\$100/quarter	
Cleanroom Facilities Maintenance Fee (use of facility for less than 10 hrs./quarter is pro-rated)	\$100/quarter	
Annealing Tube Furnaces (long term)	\$5/hour	
Other Equipment (Hall effect (limit 10 hrs./mo.), Metricon, Profiler P10)	\$10/hour	
Extended use of MPCGF instr. by non-university users (This includes limited laboratory training)		\$400/day

#### MATERIAL GOODS

Material charges	1.5 x	1.5 x
